SECTION 3. Registrar and Paying Agent; Book Entry Only Provisions. The Secretary is authorized to select and appoint a qualified financial institution to serve as the Registrar and the Paying Agent for the BANs and the Bonds, which registrar is hereby charged with the responsibility of authenticating the BANs and the Bonds. The Secretary is hereby authorized to enter into such agreements or understandings with such institution as will enable the institution to perform the services required of the Registrar and the Paying Agent for the BANs. The Secretary

is further authorized to pay such fees as the institution may charge for the services it provides as the Registrar and the Paying Agent, and such fees may be paid from the Bond and Interest Account, as hereinafter defined.

As to any purchaser of the Bonds that does not object to such designation, the Secretary may serve as the Registrar and the Paying Agent and, in such case, is hereby charged with the duties of the Registrar and the Paying Agent.

The principal of and interest on the BANs (if interest thereon is payable only at maturity) or the principal of the BANs (if interest thereon is not payable only at maturity), and the principal of the Bonds shall be payable at the principal office of the Paying Agent, and all payments of interest on the BANs (if interest thereon is not payable only at maturity) and the Bonds shall be paid by check mailed one business day prior to the interest payment date to the registered owners thereof, as of the fifteenth day of the month preceding each interest payment date ("Record Date"), at the addresses of the registered owners as they appear on the registration books kept by the Registrar. If payment of principal or interest is made to a depository, payment shall be made by wire transfer on the payment date in same-day funds. If the BANs or the Bonds are registered in the name of the Indiana Finance Authority, the principal thereof and interest thereon shall be paid by wire transfer to such financial institution if and as directed by the Indiana Finance Authority on the due date of such payment or, if such due date is a day when financial institutions are not open for business, on the business day immediately after such due date. So long as the Indiana Finance Authority is the owner of the BANs or the Bonds, the BANs or the Bonds shall be presented for payment as directed by the Indiana Finance Authority. If the payment date occurs on a date when financial institutions are not open for business, the wire transfer shall be made on the next succeeding business day. All payments on the BANs and the Bonds shall be made in any coin or currency of the United States of America, which on the date of such payment, shall be legal tender for the payment of public and private debts.

Each BAN or Bond shall be transferable or exchangeable only upon the books of the District kept for that purpose at the principal office of the Registrar, by the registered owner thereof in person, or by its attorney duly authorized in writing, upon surrender of such BAN or Bond together with a written instrument of transfer or exchange satisfactory to the Registrar duly executed by the registered owner or its attorney duly authorized in writing, and thereupon a new fully registered BAN or BANs or Bond or Bonds in the same aggregate principal amount and of the same maturity shall be executed and delivered in the name of the transferee or transferees or the registered owner, as the case may be, in exchange therefore. The costs of such transfer or exchange shall be borne by the District; provided, however, that the Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The District, the Registrar and Paying Agent for the Bonds may treat and consider the person in whose name the BANs or the Bonds are registered as the absolute owner thereof for all purposes, including for the purpose of receiving payment of, or on account of, the principal thereof, the premium, if any, and interest due thereon.

Interest on the Bonds, which are authenticated on or before the Record Date, which precedes the first interest payment date, shall be paid from their original issue date; provided that

interest on the Bonds sold to the Indiana Finance Authority shall begin to accrue commencing from the dates of payment on the Bonds. Interest on the Bonds authenticated subsequent to the Record Date which precedes the first interest payment date thereon shall be paid from the interest payment date to which interest has been paid as of the date on which such Bonds are authenticated, unless a Bond is authenticated between the Record Date and the interest payment date, in which case the interest shall be paid from such interest payment date.

The BANs or the Bonds may be issued in book-entry-only form as one fully registered BAN or Bond per maturity registered in the name of Cede & Co., as nominee for The Depository Trust Company (“DTC”), New York, New York, and DTC may act as securities depository for the BANs or the Bonds. In that event, the purchase of beneficial interests in the BANs or the Bonds will be made in book-entry-only form in the denomination of \$100,000 or more or in the denomination of \$1.00 or any multiple thereof, respectively. Purchasers of beneficial interests will not receive certificates representing their interests in the BANs or the Bonds purchased. As long as DTC or its nominee, Cede & Co., is the registered owner of the BANs or the Bonds, payments of principal, premium, if any, and interest will be made when due directly to such registered owner in same-day funds wired by the Paying Agent in accordance with the procedures set forth in the Blanket Issuer Letter of Representations made by the District to DTC.

SECTION 4. Redemption of BANs and Bonds.

(a) If deemed appropriate by the Secretary, with the advice of the Municipal Advisor, the BANs shall be prepayable by the District, in whole or in part, on or after the date determined to be most appropriate by the Secretary, with the advice of the Municipal Advisor, upon seven (7) days’ notice to the owner of the BANs, without any premium, but with accrued interest to the date of prepayment.

(b) The Bonds are redeemable at the option of the District, but no sooner than ten (10) years after their date of delivery for any Bonds sold to the Indiana Finance Authority, on dates and with premiums as determined at the time of the sale of the Bonds as determined by the Secretary with the advice of the Municipal Advisor on any date, on thirty (30) days’ notice, in whole or in part, in any order of maturity (or in the case of any Bonds sold to the Indiana Finance Authority, in inverse order of maturity and on sixty (60) days’ notice) and by lot within a maturity selected by the District, at the par amount thereof, together with a premium not greater than 2%, plus, in each case, accrued interest, if any, to the date fixed for redemption; provided, however if the Bonds are sold to the IFA Program and registered in the name of the Indiana Finance Authority, the Bonds shall not be redeemable at the option of the District unless and until consented by the Indiana Finance Authority. The exact redemption dates and premiums shall be established by the Secretary, with the advice of the Municipal Advisor.

(c) If any Bond is issued as a term bond, the Paying Agent shall credit against the mandatory sinking fund requirement for the Bonds maturing as term bonds, and corresponding mandatory redemption obligation, in the order determined by the District, any Bonds maturing as term bonds maturing on the same date which have previously been redeemed (other than as a result of a previous mandatory redemption requirement) or delivered to the Registrar for cancellation or purchased for cancellation by the Paying

Agent and not theretofore applied as a credit against any redemption obligation. Each Bond maturing as a term bond so delivered or canceled shall be credited by the Paying Agent at one hundred percent (100%) of the principal amount thereof against the mandatory sinking fund obligation on such mandatory sinking fund date, and any excess of such amount shall be credited on future redemption obligations, and the principal amount of the Bonds to be redeemed by operation of the mandatory sinking fund requirement shall be accordingly reduced; provided, however, the Paying Agent shall credit only such Bonds maturing as term bonds to the extent received on or before forty-five (45) days preceding the applicable mandatory redemption date.

(d) If less than an entire maturity is called for redemption, the Bonds to be called for redemption shall be selected by lot by the Registrar. If the Bonds are to be redeemed by optional redemption and mandatory sinking fund redemption on the same date, the Registrar shall select the Bonds for mandatory sinking fund redemption before selecting the Bonds for optional redemption.

(e) Notice of redemption shall be given not less than thirty (30) days (or in the case of any Bonds sold to the Indiana Finance Authority, sixty (60) days) prior to the date fixed for redemption for Bonds, unless such redemption notice is waived by the owner of the Bond or Bonds to be redeemed. Such notice shall be mailed to the address of the registered owner as shown on the registration record of the District as of the date which is forty-five (45) days (or in the case of any Bonds sold to the Indiana Finance Authority, seventy-five (75) days) prior to such redemption date for Bonds. The notice shall specify the date and place of redemption and sufficient identification of the Bonds called for redemption. The place of redemption may be determined by the District. Interest on the Bonds so called for redemption shall cease on the redemption date fixed in such notice if sufficient funds are available at the place of redemption to pay the redemption price on the date so named.

(f) The BANs and the Bonds shall be called for redemption in multiples of their minimum authorized denomination. The BANs and the Bonds in denominations of more than the minimum authorized denomination shall be treated as representing the number of BANs and Bonds, respectively, obtained by dividing the denomination of the BAN and the Bond, respectively, by the minimum authorized denomination within a maturity. The BANs and the Bonds may be redeemed in part. In the event of redemption of BANs and Bonds in part, upon surrender of the BAN or the Bond to be redeemed, a new BAN or BANs or Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the BAN or the Bond surrendered shall be issued to the registered owner thereof.

SECTION 5. Execution and Authentication of the BANs and the Bonds; Pledge of Net Revenues to the Bonds. The BANs and the Bonds shall be executed in the name of the City by the manual or facsimile signature of the Mayor of the City (the "Mayor") and attested by the manual or facsimile signature of the Clerk-Treasurer, who shall affix the seal of the City, if any, to each of the BANs and the Bonds manually or shall have the seal imprinted or impressed, if any, thereon by facsimile. These officials, by the signing of a Signature and No Litigation Certificate, shall adopt as and for their own proper signatures their facsimile signatures appearing on the BANs and the Bonds. The BANs and the Bonds must be authenticated by an authorized officer of the

Registrar or by the Clerk-Treasurer if the Clerk-Treasurer is acting as the Registrar. The Bonds, the Prior Bonds, and any additional bonds issued on a parity with the Bonds and the Prior Bonds in accordance with the restrictions imposed by this Resolution (the "Parity Bonds"), as to both principal and interest, shall be payable from and secured by an irrevocable pledge of and shall constitute a first charge upon the Net Revenues of the System, on senior basis to the Subordinate Stormwater Pledge. The District shall not be obligated to pay the principal of and interest on the Bonds, except from the Net Revenues of the System (except to the extent payable from the proceeds of the Bonds), and the Bonds shall not constitute an indebtedness of the District within the meaning of the provisions and limitations of the constitution of the State.

SECTION 6. Form of Bonds. The form and tenor of the Bonds shall be substantially as set forth in Exhibit B, with all blanks to be filled in properly and all necessary additions and deletions to be made prior to delivery thereof.

SECTION 7. Preparation and Sale of BANs and Bonds. The Clerk-Treasurer is hereby authorized and directed to have the BANs and the Bonds prepared, and the Mayor and the Clerk-Treasurer are hereby authorized and directed to execute the BANs and the Bonds in the form and manner herein provided. The Clerk-Treasurer is hereby authorized and directed to deliver the BANs and the Bonds to the purchasers thereof after the sale made in accordance with the provisions of this Resolution, provided that at the time of such delivery, the Clerk-Treasurer shall collect the full amount which the purchasers have agreed to pay therefore, which amount shall not be less than the applicable minimum percentage of the par value of the BANs or the Bonds set forth in Section 2 of this Resolution. The District may receive payment for the BANs and the Bonds in installments. The Bonds, as and to the extent paid for and delivered to the purchaser, shall be the binding revenue obligations of the District, solely payable out of the Net Revenues to be set aside into the Sinking Fund as provided herein. The proceeds derived from the sale of the BANs and the Bonds and the investment income therefrom shall be and are hereby set aside and appropriated to pay the costs of the Project, the refunding of the BANs, if applicable, capitalized interest on the Bonds as needed, and the expenses necessarily incurred in connection with the issuance of the BANs and the Bonds. The proper officers of the District are hereby directed to draw all proper and necessary warrants, and to do whatever acts and things that may be necessary to carry out the provisions of this Resolution.

SECTION 8. Bond Sale Notice; Official Statement.

(a) If the BANS or Bonds are to be sold at a competitive sale, the Secretary shall cause to be published either (i) a notice of bond sale in the authorized newspaper(s) for the District, two (2) times, at least one week apart, with the first publication being made at least fifteen (15) days before the date of the sale and the second publication being made at least three days before the date of the sale or (ii) a notice of intent to sell bonds in the authorized newspaper(s) and the *Indianapolis Business Journal*, all in accordance with IC 5-1-11, as amended, and IC 5-3-1, as amended. The notice shall state the character, the amount and the authorized denominations of the Bonds, the maximum rate or rates of interest thereon, the terms and conditions upon which bids will be received and the sale made, and such other information as the Secretary and the attorneys employed by the District shall deem advisable. The notice may provide for electronic bidding as determined by the Municipal Advisor. Any summary notice may contain any information deemed so advisable. The notice may provide, among other things, that the winning bidder shall submit to

the District a certified or cashier's check (or wire transfer such amount as instructed by the District) not later than 3:30 p.m. (EST time) on the next business day following the award. In the event the successful bidder shall fail or refuse to accept delivery of the Bonds and pay for the same as soon as the Bonds are ready for delivery, or at the time fixed in the notice of sale, then such good faith deposit and the proceeds thereof shall be the property of the District and shall be considered as its liquidated damages on account of such default. Bidders for the Bonds will be required to name the rate or rates of interest which the Bonds are to bear, not exceeding the maximum rate hereinbefore fixed, and that such interest rate or rates shall be in multiples of one-eighth (1/8) of one percent (1%) or one-one hundredth (1/100) of one percent (1%). No conditional bid or bid for less than the applicable minimum percentage of the par value of the Bonds set forth in Section 2 of this Resolution will be considered. The opinion of Barnes & Thornburg LLP, South Bend, Indiana ("Bond Counsel"), approving the legality of the Bonds will be furnished to the purchaser at the expense of the District.

(b) The Bonds shall be awarded by the Secretary to the best bidder who has submitted its bid in accordance with the terms of this Resolution, IC 5-1-11, as amended, and the notice. The best bidder will be the one who offers the lowest interest cost to the District, to be determined by computing the total interest on all of the Bonds to their maturities and deducting the premium bid, if any, or adding thereto the discount bid, if any. The right to reject any and all bids shall be reserved. If an acceptable bid is not received on the date of sale, the sale may be continued from day to day thereafter without further advertisement for a period of thirty (30) days, during which time, no bid which provides a higher net interest cost to the District than the best bid received at the time of the advertised sale will be considered.

(c) Distribution of an Official Statement (preliminary and final) when and if prepared by the Municipal Advisor, on behalf of the District, is hereby authorized and approved and the Secretary is authorized and directed to execute the Official Statement in a form consistent with this Resolution. The Clerk-Treasurer, the President of the Board (the "President"), or the Secretary of the Board (the "Secretary") are each authorized to deem the Preliminary Official Statement as "final" for purposes of Rule 15c2-12 promulgated by the Securities and Exchange Commission.

(d) As an alternative to public sale, the District may negotiate the sale of one or more series of the Bonds and/or BANs to the Indiana Finance Authority. The Mayor, the Clerk-Treasurer, the President or the Secretary are each hereby authorized to (i) submit an application to the IFA Program, (ii) execute the Financial Assistance Agreement (including any amendment thereof) with the Indiana Finance Authority and (iii) sell one or more series of the Bonds and/or BANs upon such terms as are acceptable to such any of officers consistent with the terms of this Resolution. The Financial Assistance Agreement (including any amendment thereof) for one or more series of the Bonds and/or BANs and the Project shall be executed by either the authorized officers of the District and the Indiana Finance Authority. The substantially final forms of the Financial Assistance Agreements (attached hereto as Exhibit C and incorporated herein by reference) is hereby approved by the Board, and each of the Mayor, Clerk-Treasurer, President, or Secretary is hereby authorized to execute and deliver the same and to approve any changes in form or substance to the Financial Assistance Agreement, and such approval shall be conclusively evidenced by its execution. Each of the Mayor, Clerk-Treasurer, President, or Secretary is hereby authorized to execute and deliver an amended and restated Financial Assistance Agreement or a subsequent Financial Assistance Agreement if an earlier series of Bonds and/or BANs has been

purchased by the Indiana Finance Authority and may approve any changes in form or substance to the attached Financial Assistance Agreement as they determined to be necessary or desirable in connection therewith, and such approval shall be conclusively evidenced by its execution.

SECTION 9. Use of Proceeds; Construction Fund. The accrued interest and the premium, if any, received at the time of the delivery of the Bonds shall be deposited in the Sinking Fund (as defined herein). The remaining proceeds from the sale of the Bonds, to the extent not used to refund BANs, and BAN proceeds, shall be deposited in a bank or banks which are legally designated depositories for the funds of the District, in an account or accounts to be designated as "Hobart Sanitary District Sewage Works Construction Fund" (the "Construction Fund"). The funds in each of such special accounts shall be deposited, held, secured or invested in accordance with the laws of the State relating to the depositing, holding, securing or investing of public funds, including particularly IC 5-13, chapters 1 through 4 of IC 5-1.2, IC 5-1.2-10, IC 5-1.2-11, IC 5-1.2-14 and/or IC 5-1.2-14.5, and the acts amendatory thereof and supplemental thereto. The funds in such special account or accounts shall be expended only for the purpose of paying the costs of issuance of the BANs or the Bonds, the cost of the Project, refunding all or a portion of the BANs, if issued, or as otherwise required by the Act. The cost of obtaining the legal services of Bond Counsel shall be considered a part of the costs of issuance of the BANs and the Bonds.

(a) Any balance or balances remaining unexpended in such special account or accounts after completion of the Project, which are not required to meet unpaid obligations incurred in connection with the Project, shall subject to (c) below either (1) be deposited in the Sinking Fund and used solely for the purposes of said Sinking Fund or (2) be used for the same purpose or type of project for which the BANs or the Bonds were originally issued, all in accordance with IC 5-1-13, as amended and supplemented.

(b) With respect to any series of Bonds sold to the Indiana Finance Authority, to the extent that (a) the total principal amount of the Bonds is not paid by the purchaser or drawn down by the District, or (b) proceeds remain in the Construction Fund and are not applied to the Project (or any modifications or additions thereto approved by the Indiana Finance Authority), the District shall reduce the principal amount of the Bond maturities to effect such reduction in a manner that will still achieve as level as annual debt service as practicable as described in Section 2(c) subject to and upon the terms forth in the Financial Assistance Agreement.

SECTION 10. Revenue Fund. All income and revenues of the System (including any System Development Charges that are not considered Net Revenues) shall be deposited upon receipt in the Sewage Works Revenue Fund (the "Revenue Fund") continued hereby. The Revenue Fund shall be maintained separate and apart from all other funds and accounts of the District and the City. All moneys deposited in the Revenue Fund may be invested in accordance with IC 5-13-9, chapters 1 through 4 of IC 5-1.2, IC 5-1.2-10, IC 5-1.2-11, IC 5-1.2-14 and/or IC 5-1.2-14.5, as amended, and other applicable laws. Out of said Revenue Fund, the proper and reasonable expenses of operation and maintenance of the System shall be paid, the principal and interest of all bonds and fiscal agency charges of registrars or paying agents shall be paid, the reserve fund shall be funded and the costs of replacements, extensions, additions and improvements to the System shall be paid. No moneys derived from the revenues of the System shall be transferred to the general fund of the District or the City, be transferred to any fund of the District or the City related to any purpose under the Act other than providing for the collection and treatment of

wastewater from the District residents and users (“Non-Sewage Works Purpose”) or be used for any purpose not connected with the System.

SECTION 11. Operation and Maintenance Fund. There shall be transferred from the Revenue Fund and credited to the Operation and Maintenance Fund continued hereby (the “Operation and Maintenance Fund”), on or before the last day of each calendar month a sufficient amount of the revenues of the System so that the balance in the Operation and Maintenance Fund shall be sufficient to pay the expenses of operation, repair and maintenance of the System for the then next succeeding two (2) calendar months. The moneys credited to the Operation and Maintenance Fund shall be used for the payment of the reasonable and proper operation, repair and maintenance expenses of the System on a day-to-day basis, but none of the moneys in such fund shall be used for depreciation, replacements, improvements, extensions or additions. Any monies in the Operation and Maintenance Fund in excess of the expected expenses of operation, repair and maintenance for the next succeeding month may be transferred to the Sinking Fund (defined below) if necessary, to prevent a default in the payment of the principal of or interest on the Bonds.

SECTION 12. Sinking Fund.

(a) *General*. There is hereby continued a fund designated as the Sewage Works Sinking Fund (the “Sinking Fund”) for the payment of principal of, interest on, and premium on, if any, the Bonds, the Prior Bonds, and any bonds hereafter issued on a parity therewith, or any other bonds subordinate thereto, and for the payment of any fiscal agency charges in connection with the payment of bonds. After meeting the requirements of the Operation and Maintenance Fund set forth above, there shall be set aside and deposited into the Sinking Fund, as available and as provided below, a sufficient amount of the Net Revenues (including any System Development Charges that are considered Net Revenues) of the System to meet the requirements of the Bond and Interest Account and the Debt Service Reserve Account (each, as defined herein) continued hereby. Such payments shall continue until the balance in the Bond and Interest Account and the Debt Service Reserve Account equal the amount necessary to pay the principal of and interest on all the outstanding bonds payable from the Net Revenues to the final maturity thereof.

(b) *Bond and Interest Account*. There is hereby continued within the Sinking Fund, the Bond and Interest Account (the “Bond and Interest Account”). There shall be transferred on or before the last day of each calendar month to the Bond and Interest Account an amount of the Net Revenues equal to at least one-sixth (1/6) of the interest on all then outstanding bonds payable from the Net Revenues on the then next succeeding interest payment date, and at least one-sixth (1/6) of the principal of all then outstanding bonds payable on the then next succeeding principal payment date, until the amount of principal and interest payable on the then next succeeding interest and principal payments dates shall have been so credited. There shall similarly be credited to the account any amount necessary to pay the bank fiscal agency charges for paying principal and interest on outstanding bonds as the same become payable. The District shall, from the sums deposited in the Sinking Fund and credited to the Bond and Interest Account, remit promptly to the registered owner or to the bank fiscal agency sufficient moneys to pay the interest and principal on the due dates thereof together with the amount of bank fiscal agency charges.

(c) *Debt Service Reserve Account.* There is hereby continued within the Sinking Fund, the Debt Service Reserve Account (the “Reserve Account”).

Beginning with the first month after the Bonds are delivered, the District shall deposit on or before the last day of each calendar month an amount of Net Revenues into the Debt Service Reserve Account over a period of five (5) years until the balance therein equals but does not exceed the least of (i) the maximum annual debt service on the Bonds, the Prior Bonds and any parity bonds issued in the future by the District which are payable from the Net Revenues (the “Parity Bonds”), (ii) 125% of average annual debt service on the Bonds, the Prior Bonds, and any Parity Bonds, or (iii) 10% of the proceeds of the Bonds, the Prior Bonds, and any Parity Bonds (the “Reserve Requirement”); provided, however, if any of the Bonds are sold to the Indiana Finance Authority pursuant to its IFA Program, then the Reserve Requirement shall equal the maximum annual debt service on the Bonds, the Prior Bonds, and any Parity Bonds. The monthly deposits of Net Revenues shall be equal in amount and sufficient to accumulate the Reserve Requirement within five (5) years of the date of delivery of the Bonds. The balance in the Debt Service Reserve Account, allocable to the Bonds, shall never exceed the Reserve Requirement. The District may fund all or part of the Debt Service Reserve Account with a debt service reserve surety bond; provided, however, if any of the Bonds are sold to the Indiana Finance Authority pursuant to its IFA Program, then the Indiana Finance Authority shall consent to any such use of a surety bond. The surety bond must be issued by an insurance company rated in the highest category by Standard & Poor’s Corporation and Moody’s Investors Service.

The Debt Service Reserve Account shall constitute a margin for safety and a protection against default in the payment of the principal of, premium, if any, and interest on the Bonds, the Prior Bonds, and any Parity Bonds and the moneys in the Debt Service Reserve Account shall be used to pay the principal of and interest on the Bonds, the Prior Bonds, and any Parity Bonds to the extent that moneys in the Bond and Interest Account are insufficient for that purpose. Any deficiency in the balance maintained in the Debt Service Reserve Account shall be promptly made up from the next available Net Revenues after the required deposits into the Bond and Interest Account. In the event moneys in the Debt Service Reserve Account are transferred to the Bond and Interest Account to pay the principal of and interest on the Bonds, the Prior Bonds, or any Parity Bonds, then that depletion of the balance in the Debt Service Reserve Account shall be made up from the next available Net Revenues after the required deposits into the Bond and Interest Account.

SECTION 13. Sewage Works Improvement Fund. There is hereby continued a special fund designated the Sewage Works Improvement Fund (the “Improvement Fund”). In the event any excess revenues exist after all required monthly payments into the Operation and Maintenance Fund and the Sinking Fund, as described above, then any available excess revenues of the System shall be deposited into the Improvement Fund, and any amounts so deposited may be used to pay the cost of improvements, betterments, extensions, enlargements and additions to the System, or for any other lawful purpose related to the System. Moneys in the Improvement Fund (i) shall be transferred to the Sinking Fund if necessary to prevent a default in the payment of principal and interest on the then outstanding bonds or, if necessary, to eliminate any deficiencies in credits to or minimum balance in the Debt Service Reserve Account of the Sinking Fund or (ii) may be transferred to the Operation and Maintenance Fund to meet unforeseen contingencies in the operation, repair and maintenance of the System. If any BANs or Bonds are sold to the Indiana

Finance Authority as part of its IFA Program, so long as any of the BANs or Bonds are outstanding, no monies derived from the revenues of the System shall be transferred to the any general fund of the District or otherwise be used for any purposes not connected with the System.

SECTION 14. Maintenance of Accounts; Investments. The Sinking Fund shall be maintained as a separate account or accounts from all other accounts of the District. All moneys deposited in the Funds and Accounts created by this Resolution shall be deposited, held and secured as public funds in accordance with the public depository laws of the State; provided that moneys therein may be invested in obligations in accordance with applicable laws, including IC 5-13, chapters 1 through 4 of IC 5-1.2, IC 5-1.2-10, IC 5-1.2-11, IC 5-1.2-14 and/or IC 5-1.2-14.5, as amended or supplemented, and in the event of such investment, the income therefrom shall become a part of the funds invested and shall be used only as provided in this Resolution. Nothing in this Section or elsewhere in this Resolution shall be construed to require that separate bank accounts be established and maintained for the Funds and Accounts created by this Resolution except that (a) the Sinking Fund and Construction Fund shall be maintained separate bank account from the other Funds and Accounts of the System and (b) the other Funds and Accounts of the System shall be maintained as a separate bank account from the other funds and accounts of the District.

SECTION 15. Maintenance of Books and Records. The District shall keep proper books of records and accounts, separate from all of its other records and accounts, in which complete and correct entries shall be made showing all revenues collected from the System, all disbursements made on account of the System and all other transactions relating to the System. Copies of all such statements and reports shall be kept on file in the office of the Secretary. If the BANs or the Bonds are sold to the Indiana Finance Authority, the District shall establish and maintain the books and other financial records of the Project (including the establishment of a separate account or subaccount for the Project) and the System in accordance with (i) generally accepted governmental accounting standards for utilities, on an accrual basis, as promulgated by the Governmental Accounting Standards Board, and (ii) the rules, regulations and guidance of the State Board of Accounts.

SECTION 16. Rate Covenant. The District covenants and agrees that it will establish and maintain reasonable and just rates and charges for the use of and the service rendered by the System, to be paid by the owner of each and every lot, parcel of real estate or building that is connected with and uses the System, or that in any way uses or is served by the System, at a level adequate to produce and maintain sufficient revenue (including user and other charges, fees, income or revenues available to the District), provided that System Development Charges shall be excluded, to the extent permitted by law, when determining if such rates and charges are sufficient so long as the Bonds are outstanding and owned by the Indiana Finance Authority as part of its IFA Program, to provide for Operation and Maintenance (as defined in the Financial Assistance Agreement) of the System, to comply with and satisfy all covenants contained in this Resolution and any Financial Assistance Agreement and to obligations of the System and of the District including the Prior Bonds, the Subordinate Stormwater Pledge, the Bonds to be issued pursuant to this Resolution and any hereafter issued Parity Bonds. Such rates and charges shall, if necessary, be changed and readjusted from time to time so that the revenues therefrom shall always be

sufficient to meet the expenses of Operation and Maintenance of the System and the requirements of the Sinking Fund or any BANs. The rates and charges so established shall apply to any and all use of the System by and service rendered to the District and shall be paid by the District as the charges accrue.

SECTION 17. Defeasance of Bonds. If: (i) any of the Bonds shall have become due and payable in accordance with their terms or shall have been duly called for redemption or irrevocable instructions to call the Bonds or any portion thereof for redemption shall have been given, and the whole amount of the principal, the premium, if any, and the interest, so due and payable upon all of the Bonds or any designated portion thereof then outstanding shall be paid; or (ii) the District shall cause to be held in trust for the purpose of paying when due the principal of, premium, if any, and interest on the Bonds or any designated portion thereof, money, together with direct obligations of (including obligations issued or held in book entry form on the books of) the Department of the Treasury of the United States of America, the principal of and the interest on which when due, will be sufficient, without reinvestment, to make such payments, and provision shall also be made for paying all fees and expenses for the redemption of such Bonds; then and in that case, such Bonds shall no longer be deemed outstanding or entitled to the pledge of the Net Revenues of the System.

SECTION 18. Additional BANs and Bonds. The District reserves the right to authorize and issue additional BANs at any time ranking on a parity with the BANs. The District reserves the right to authorize and issue Parity Bonds for financing the cost of future additions to, extensions of and improvements to the System, or to refund obligations, subject to the following conditions:

(a) The principal of and interest on all bonds payable from the Net Revenues (including the Prior Bonds, the Bonds to be issued pursuant to this Resolution and any hereafter issued Parity Bonds) shall have been paid in accordance with the terms thereof, and the amounts required to be paid into the Sinking Fund shall have been made to date in accordance with the provisions of this Resolution. The Reserve Requirement shall be satisfied for the additional Parity Bonds either at the time of delivery of the additional Parity Bonds or over a five (5) year or shorter period, in a manner that is commensurate with the requirements established in Section 12(c) of this Resolution.

(b) The Net Revenues in the fiscal year immediately preceding the issuance of any such Parity Bonds shall be not less than one hundred twenty-five percent (125%) of the maximum annual principal and interest requirements of the then outstanding bonds or obligations payable from the Net Revenues (including the Subordinate Stormwater Pledge) and the additional Parity Bonds proposed to be issued; or, prior to the issuance of such Parity Bonds, the sewer rates and charges shall be increased sufficiently so that such increased rates and charges applied to the previous year's requirements would have produced Net Revenues for such year equal to not less than one hundred twenty-five percent (125%) of the maximum annual principal and interest requirements of the then outstanding bonds or obligations payable from the Net Revenues (including the Subordinate Stormwater Pledge) and the additional Parity Bonds proposed to be issued. For purposes of this subsection, the records of the System shall be analyzed and all showings shall be prepared by a certified public accountant employed by the District for that purpose. In addition, for purposes of this subsection, with respect to any Parity Bonds hereafter issued while the Bonds remain outstanding and owned by the Authority as part of its IFA Program, Net Revenues may not include any revenues from the System Development Charges unless the

Authority provides its consent to include all or some portion of the System Development Charges as part of the Net Revenues or otherwise consents to the issuance of such Parity Bonds without satisfying this subsection (b). In addition, for purposes of this subsection, Net Revenue (as such is determined (and included) for the fiscal year immediately preceding the issuance of any such bonds) shall exclude receipts from any assessment of exceptional benefits (which would otherwise be designated herein as Net Revenues) if and to the extent that such are in excess of the amount that any such assessments are irrevocably required pursuant to the Act to fixed and collected for each future fiscal year that such additional Parity Bonds are proposed to be outstanding. Notwithstanding anything herein to the contrary, in the event the District undertakes and establishes any assessment of exceptional benefits in connection with any hereinafter Parity Bonds (which would otherwise be designated herein as Net Revenues), it shall not relieve the District from (i) making the monthly deposits in the Sinking Fund in the full amounts required by Section 12(b) and (c) and (ii) causing any such assessment of exceptional benefits to be levied and collected six (6) months in advance of any date on which such will be applied to payment of principal of and interest on such hereafter issued Parity Bonds.

(c) The principal of, or mandatory sinking fund redemption dates for, the additional Parity Bonds shall be payable semiannually on January 1 and July 1, and interest on the additional Parity Bonds shall be payable semiannually on January 1 and July 1.

(d) If the Bonds are sold to the Indiana Finance Authority: (i) the District obtains the consent of the Indiana Finance Authority; (ii) the District has faithfully performed and is in compliance with each of its obligations, agreements and covenants contained in the Financial Assistance Agreement and this Resolution; and (iii) the District is in compliance with its System permits, except for noncompliance, the elimination of which is a purpose for which the Parity Bonds, including any refunding bonds, are issued, so long as such issuance constitutes part of an overall plan to eliminate such noncompliance.

(e) Parity bonds may also be issued to refund less than all of the then outstanding bonds issued pursuant to this Resolution or ranking on a parity therewith, but any such refunding bonds shall be subject to the conditions in this section unless the bonds being refunded mature within three (3) months of the date of such refunding and no other funds are available to pay such maturing bonds. In computing the maximum annual interest and principal requirements pursuant to subsection (b), the interest on and principal of the parity refunding bonds shall be substituted for the interest on and principal of the bonds being refunded. Refunding bonds issued under this subsection (e) shall also be subject to the conditions in subsection (a), (c) and (d).

SECTION 19. Further Covenants. For the purpose of further safeguarding the interests of the owners of the BANs and the Bonds, it is specifically provided as follows:

(a) All contracts let by the District in connection with the construction of the Project shall be let after due advertisement as required by the laws of the State, and all contractors shall be required to furnish surety bonds in an amount equal to one hundred percent (100%) of the amount of such contracts, to insure the completion of such contracts in accordance with their terms, and such contractors shall also be required to carry such employer's liability and public liability insurance as are required under the laws of the State in the case of public contracts and shall be governed in all respects by the laws of the State relating to public contracts.

(b) The Project shall be constructed under the supervision and subject to the approval of the Engineer. All estimates for work done or material furnished shall first be checked by the Engineer and approved by the District.

(c) So long as any of the BANs or the Bonds are outstanding, the District shall at all times maintain the System in good condition and operate the same in an efficient manner and at a reasonable cost.

(d) So long as any of the BANs or the Bonds are outstanding, the District shall acquire and maintain insurance on the insurable parts of the system, of a kind and in an amount such as is usually carried by private corporations engaged in a similar type of business. All insurance shall be placed with responsible insurance companies qualified to do business under the laws of the State. As an alternative to maintaining such insurance but only if the Bonds are not sold to the Indiana Finance Authority, the District may maintain a self-insurance program with catastrophic or similar coverage so long as such program meets the requirements of any applicable laws or regulations and is maintained in a manner consistent with programs maintained by similarly situated municipalities. All insurance or self-insurance proceeds or condemnation proceeds shall be used in replacing or restoring the System or, if the Bonds are not sold to the Indiana Finance Authority, shall be deposited in the Sinking Fund.

(e) So long as any of the BANs or the Bonds are outstanding, the District shall not mortgage, pledge or otherwise encumber the property and plant of the System or any portion thereof or any interest therein, and if the BANs or the Bonds are sold to the Indiana Finance Authority, the District shall not do so, without the prior written consent of the Indiana Finance Authority. The District shall not sell, lease or otherwise dispose of any part of the System, except for such machinery, equipment or other property as may be replaced or shall no longer be necessary for use in connection with the System, and if the BANs or the Bonds are sold to the Indiana Finance Authority, the District shall not do so, without the prior written consent of the Indiana Finance Authority.

(f) Except as otherwise specifically provided in Section 18 hereof, so long as any of the BANs or the Bonds are outstanding, no additional bonds or other obligations pledging any portion of the Net Revenues shall be authorized, executed, or issued by the District, except those as shall be made subordinate and junior in all respects to the Bonds herein authorized, unless the BANs and the Bonds are redeemed or defeased pursuant to Section 4 hereof coincidentally with the delivery of such additional bonds or other obligations.

(g) If the BANs or the Bonds are sold to the Indiana Finance Authority and, except as otherwise specifically provided in Section 18 hereof, the District shall not without the prior written consent of the Indiana Finance Authority (i) enter into any lease, contract or agreement or incur any other liabilities in connection with the System other than for normal operating expenditures or (ii) borrow any money (including without limitation any loan from other utilities operated by the District).

(h) The provisions of this Resolution shall constitute a contract by and between the District and the owners of the BANs and the Bonds, all the terms of which shall be enforceable by any holder of the BANs or the Bonds by any and all appropriate proceedings in law or in equity.

After the issuance of the BANs or the Bonds, this Resolution shall not be repealed, amended or modified in any respect which will adversely affect the rights or interests of the owners of the BANs or the Bonds, nor shall the Board or any other body of the District adopt any law, resolution or ordinance which in any way materially adversely affects the rights of such owners so long as any of the BANs or the Bonds remain outstanding. Except for the changes set forth in Section 22 (a)(1)-(7) of this Resolution, this Resolution may be amended, however, without the consent of the BAN or the Bond owners, if the Board determines, in its sole discretion, that such amendment would not materially adversely affect the rights of any of the owners of the BANs or the Bonds; provided, however, that if the BANs or the Bonds are sold to the Indiana Finance Authority, the District shall obtain the prior written consent of the Indiana Finance Authority.

(i) The provisions of this Resolution shall be construed to create a trust in the proceeds of the sale of the BANs and the Bonds for the uses and purposes set forth herein, and the owners of the BANs and the Bonds shall retain a lien on such proceeds until the same are applied in accordance with the provisions of this Resolution and the Act. The provisions of this Resolution shall also be construed to create a trust in the Net Revenues herein directed to be set apart and paid into the Sinking Fund for the uses and purposes of such Fund as set forth in this Resolution. The owners of the BANs and the Bonds shall have all of the rights, remedies and privileges set forth in the provisions of the Act and this Resolution. In addition, any owner of the BANs and the Bonds may, by civil action, protect and enforce rights granted by the Act or under this Resolution in connection with any action or duty to be performed by the District, the Board or any officer of the District, including the making and collecting of reasonable and sufficient charges and rates for services provided by the System.

(j) In addition, any owner of the BANs and the Bonds may, by civil action, protect and enforce rights granted by the Act or under this Resolution in connection with any action or duty to be performed by the District, the Board of Trustees or any officer of the District, including the making and collecting of reasonable and sufficient charges and rates for services provided by the System as described in this Resolution.

(k) None of the provisions of this Resolution shall be construed as requiring the expenditure of any funds of the District derived from any source other than the proceeds of the BANs, the Bonds or the operations of the System.

(l) For purposes of this Section 19, the term “lease” shall include any lease, contract, or other instrument conferring a right upon the District to use property in exchange for a periodic payments made from the revenues of the System, whether the District desires to cause such to be, or by its terms (or its intended effects) is to be, (i) payable as rent, (ii) booked as an expense or an expenditure, or (iii) classified for accounting or other purposes as a capital lease, financing lease, operating lease, non-appropriation leases, installment purchase agreement or lease, or otherwise (including any combination thereof).

(m) The District represents and warrants for the benefit of the holders of the Bonds that (i) it has not undertaken, and it does not own, maintain, operate or otherwise financially fund or support, any Non-Sewage Works Purpose and (ii) it does not have any existing obligations or liabilities related to any Non-Sewage Works Purpose. The District covenants and agrees for the benefit of the holders of the Bonds that it will not hereafter undertake, and it will not own,

maintain, operate or otherwise financially fund or support, any Non-Sewage Works Purpose unless consented in writing in advance by the Indiana Finance Authority so long as it is a holder of any Bonds.

SECTION 20. Investment of Funds.

(a) The Secretary is hereby authorized pursuant to IC 5-1-14-3, as amended, to invest moneys pursuant to the provisions of this Resolution (subject to applicable requirements of federal law to insure the yields on such investments are equal to the then current market rates) to the extent necessary or advisable to preserve the exclusion from gross income of interest on the BANs or the Bonds under federal law.

(b) The Secretary shall keep full and accurate records of investment earnings and income from moneys held in the Funds and Accounts created by this Resolution. In order to comply with the provisions of the Resolution, the Secretary is hereby authorized and directed to employ consultants or attorneys from time to time to advise the District as to requirements of federal law to preserve the tax exclusion described above. The Secretary may pay the fees of such consultants or attorneys as operation expenses of the System.

SECTION 21. Tax Covenants. In order to preserve the exclusion of interest on the BANs and the Bonds from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as existing on the date of issuance of the BANs or the Bonds, as the case may be (the "Code"), and as an inducement to the purchasers of the BANs and the Bonds, the District represents, covenants and agrees that:

(a) The use of the System will be based upon arrangements providing for use that is available to the general public on the basis of rates that are generally applicable and uniformly applied, and, to the extent so used, such use shall constitute general public use. No person or entity, other than the District or another state or local governmental unit, will use more than 10% of the proceeds of the BANs or the Bonds or the property financed by the BAN or Bond proceeds, other than in a manner constituting general public use. No person or entity, other than the District or another state or local governmental unit, will own property financed by the BAN or Bond proceeds or will have actual or beneficial use of such property pursuant to a lease, management, service or incentive payment contract, or any other type of arrangement that conveys other special legal entitlements and differentiates that person's or entity's use of such property from general public use, unless such uses in the aggregate relate to no more than 10% of the proceeds of the BANs or the Bonds, as the case may be. If the District enters into a management contract for all or a portion of the System, the terms of the contract will comply with the Treasury Regulations issued by the United States Department of the Treasury (the "Regulations") and IRS Revenue Procedure 2017-13, and as such may hereafter be further amended, supplemented or superseded from time to time, so that the contract will not give rise to private business use under the Code and the Regulations, unless such use in the aggregate will not relate to more than ten percent (10%) of the proceeds of the BANs or the Bonds.

(b) No more than ten percent (10%) of the principal of or interest on the BANs or the Bonds is (under the terms of the BANs, the Bonds, this Resolution or any underlying arrangement), directly or indirectly, secured by an interest in property used or to be used for private business use

or payments in respect of such property, or to be derived from payments (whether or not to the District or the Board) in respect of property or borrowed money used or to be used for a private business use.

(c) No more than five percent (5%) of the BAN or Bond proceeds will be loaned to any person or entity other than another state or local governmental unit. No more than five percent (5%) of the BAN or Bond proceeds will be transferred, directly or indirectly, or deemed transferred to a nongovernmental person in any manner that would in substance constitute a loan of the BAN or Bond proceeds.

(d) The District reasonably expects, as of the date hereof, that the BANs and the Bonds will not meet either the private business use test described in paragraphs (a) and (b) above or the private loan test described in paragraph (c) above during the entire term of the BANs and the Bonds.

(e) No more than five percent (5%) of the proceeds of the BANs or the Bonds will be attributable to private business use as described in paragraph (a) above and private security or payments described in paragraph (b) above attributable to unrelated or disproportionate private business use. For this purpose, the private business use test is applied by taking into account only use that is not related to any government use of proceeds of the issues and use that is related but disproportionate to any governmental use of those proceeds.

(f) The District will not take any action nor fail to take any action with respect to the BANs or the Bonds that would result in the loss of the exclusion from gross income for federal tax purposes of interest on the BANs or the Bonds pursuant to Section 103 of the Code, nor will the District act in any other manner which would adversely affect such exclusion.

(g) It shall not be an event of default under this Resolution if the interest on any BANs or Bonds is not excludable from gross income for federal tax purposes or otherwise pursuant to any provision of the Code which is not currently in effect and in existence on the date of issuance of the BANs or the Bonds, as the case may be.

(h) The District represents that it will rebate any arbitrage profits to the United States of America to the extent required by the Code and the Regulations.

(i) On or before the date of issuance of each series of BANs and the Bonds, the District is hereby authorized to designate all or any portion of such BANs or Bonds as qualified tax-exempt obligations pursuant to Section 265(b)(3) of the Code, if determined appropriate and permissible thereunder, with the advice of Bond Counsel.

(j) If the principal amount of the BANs or the Bonds issued in any one calendar year by the District, together with the aggregate principal amount of all other tax-exempt bonds, notes, lease obligations and other indebtedness or obligations of the District issued or entered into or to be issued or entered into by the District, its subordinate entities and entities that issue any such indebtedness or obligations on behalf of the District, or on behalf of which the District issues any such indebtedness or obligations, within the meaning of and taken into account under Section 148(f)(4)(D) of the Code, during such calendar year (excluding "private activity bonds" and obligations issued to currently refund tax-exempt obligations to the extent that the principal

amount of the refunding obligations does not exceed the principal amount of the refunded obligations), is \$5,000,000 or less, then such BANs or Bonds will be exempt from rebate pursuant to the small issuer exemption set forth in Section 148(f)(4)(D).

(k) These covenants are based solely on current law in effect and in existence on the date of delivery of the BANs or the Bonds, as the case may be.

(l) Notwithstanding any other provisions of this Resolution, the covenants and authorizations contained in this Resolution (the "Tax Sections"), which are designed to preserve the exclusion of interest on the BANs and the Bonds from gross income under federal law (the "Tax Exemption"), need not be complied with if the District receives an opinion of nationally recognized bond counsel that any Tax Section is unnecessary to preserve the Tax Exemption.

SECTION 22. Amendments with Consent of Bondholders.

(a) Subject to the terms and provisions contained in this Section, and not otherwise, the owners of not less than a majority in aggregate principal amount of the Bonds then outstanding shall have the right, from time to time, anything contained in this Resolution to the contrary notwithstanding, to consent to and approve the adoption by the Board of such Resolution or Resolutions supplemental hereto or amendatory hereof, as shall be deemed necessary or desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding in any particular any of the terms or provisions contained in this Resolution or any supplemental Resolution; provided, however, that if the BANs or Bonds are sold to the Indiana Finance Authority, the District shall obtain the prior written consent of the Indiana Finance Authority; and provided, further, that that nothing herein contained shall permit or be construed as permitting:

- (1) An extension of the maturity of the principal of or the due date of interest on any BAN or Bond; or
- (2) A reduction in the principal amount of any BAN or Bond or the redemption premium or the rate of interest thereon; or
- (3) The creation of a lien upon or a pledge of the Net Revenues of the System ranking prior to the pledge thereof created by this Resolution; or
- (4) A preference or priority of any BAN or BANs over any other BAN or BANs or of any Bond or Bonds over any other Bond or Bonds; or
- (5) A reduction in the aggregate principal amount of the Bonds required for consent to such supplemental Resolution; or
- (6) A reduction in the Reserve Requirement; or
- (7) The extension of mandatory sinking fund redemption dates for the Bonds, if any.

(b) If the owners of not less than a majority in aggregate principal amount of the Bonds outstanding at the time of adoption of such supplemental Resolution shall have consented to and approved the adoption thereof by written instrument to be maintained on file in the office of the

Secretary, no owner of any Bond shall have any right to object to the adoption of such supplemental Resolution or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Board from adopting the same, or from taking any action pursuant to the provisions thereof. Upon the adoption of any supplemental Resolution pursuant to the provisions of this Section, this Resolution shall be, and shall be deemed, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Resolution of the District and all owners of Bonds then outstanding, shall thereafter be determined, exercised and enforced in accordance with this Resolution, subject in all respects to such modifications and amendments. Notwithstanding anything contained in the foregoing provisions of this Resolution, the rights and obligations of the District and the owners of the Bonds, and the terms and provisions of the Bonds and this Resolution, or any supplemental resolution, may be modified or altered in any respect with the consent of the District and the owners of all the Bonds then outstanding.

SECTION 23. Amendment of Resolution without Consent of Bondholders. The Board may, from time to time, and without the consent of the holders of the BANs or the Bonds, adopt Resolutions supplemental hereto (which supplemental Resolutions shall thereafter form a part hereof) for any one or more of the following purposes; provided, however, that if the BANs or Bonds are sold to the Indiana Finance Authority, the District shall obtain the prior written consent of the Indiana Finance Authority:

- (a) to cure any ambiguity or formal defect or omission in this Resolution or in any supplemental Resolution;
- (b) to grant to or confer upon the owners of the Bonds any additional benefits, rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the owners of the BANs or the Bonds;
- (c) to modify, amend or supplement this Resolution to permit the qualification of the BANs or the Bonds for sale under the securities laws of the United States of America or of any of the states of the United States of America or to obtain or maintain bond insurance with respect to payments of principal of and interest on the Bonds;
- (d) to provide for the refunding or advance refunding of the BANs or the Bonds;
- (e) to procure a rating on the Bonds from a nationally recognized securities rating agency designated in such supplemental Resolution, if such supplemental Resolution will not adversely affect the owners of the Bonds; or
- (f) any other purpose that in the judgment of the Board does not adversely impact the interests of the owners of the Bonds.

SECTION 24. Issuance of BANs.

(a) The District, having satisfied all the statutory requirements for the issuance of the Bonds, may elect to issue the BAN or BANs to a financial institution, the Indiana Bond Bank, the State or any other purchaser (if then authorized by State law), pursuant to a Bond Anticipation Note Purchase Agreement (the "Bond Anticipation Note Agreement") to be entered into between

the District and the purchaser of the BAN or BANs, but only if such Agreement is deemed necessary by Bond Counsel. The Board hereby authorizes the issuance and execution of the BAN or BANs in lieu of initially issuing the Bonds to provide interim financing for the Project until permanent financing becomes available and, if deemed appropriate, to refund such BAN or BANs and to pay the costs of issuance of the BANs. It shall not be necessary for the District to repeat the procedures for the issuance of the Bonds, as the procedures followed before the issuance of the BAN or BANs are for all purposes sufficient to authorize the issuance of the Bonds and the use of the proceeds to repay the BAN or BANs.

(b) The Mayor, Clerk-Treasurer, President, or Secretary are each hereby authorized and directed to execute a Bond Anticipation Note Agreement, if any, in such form or substance as they shall approve, acting upon the advice of Bond Counsel. The President and the Secretary may take such other actions or execute and deliver such certificates as are necessary or desirable in connection with the issuance of the BANs or the Bonds and the other documents needed for the financing as any one of them deem necessary or desirable in connection therewith.

SECTION 25. Continuing Disclosure. If necessary in order for the purchaser of the BANs or the Bonds to comply with Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended (the "Rule"), the Mayor, Clerk-Treasurer, President or Secretary are each hereby authorized to execute and deliver, in the name and on behalf of the District, (i) an agreement by the District to comply with the requirements for a continuing disclosure undertaking of the District pursuant to subsection (b)(5) or (d)(2) of the Rule, and (ii) amendments to such agreement from time to time in accordance with the terms of such agreement (the agreement and any amendments thereto are collectively referred to herein as the "Continuing Disclosure Agreement"). The District hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. The remedies for any failure of the District to comply with and carry out the provisions of the Continuing Disclosure Agreement shall be as set forth therein.

SECTION 26. Other Actions. The proper officers of the District are hereby authorized and directed, for and on behalf of the District, to execute and deliver any agreement, certificate or other instrument, including without limitation any financial assistance agreement, escrow agreement, continuing disclosure agreement, agreement with any Bond Insurer, agreement with any Rating Service, preliminary official statement or official statement, or take any other action which such officer determines to be necessary or desirable to carry out the transactions contemplated by this Resolution, which determination shall be conclusively evidenced by such officer's having executed such agreement, certificate or other instrument or having taken such other action, and any such agreement, certificate or other instrument heretofore executed and delivered and any such other action heretofore taken are hereby ratified and approved.

SECTION 27. Severability. If any section, paragraph or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this Resolution.

SECTION 28. Headings. The headings or titles of the several sections shall be solely for convenience of reference and shall not affect the meaning, construction or effect of this Resolution.

SECTION 29. Conflicting Resolutions. All prior Resolutions and parts of prior Resolutions, insofar as they are in conflict herewith, are hereby repealed.

SECTION 30. Effective Date. This Resolution shall be in full force and effect from and after its passage and compliance with the procedures required by law.

ALL OF WHICH is adopted as the Resolution of the City of Hobart Sanitary District Board of Commissioners on this 12th day of July, 2022.

This Bond shall not constitute a general obligation or indebtedness of the City but is an indebtedness of the District within the meaning of the provisions and limitations of the constitution of the State. The District shall not be obligated to pay this Bond or the interest hereon except from the special fund provided from the Net Revenues, inclusive of System Development Charges (each as defined in the Resolution), remaining after the payment of the reasonable expense of operation, repair and maintenance of the System) and shall rank on parity with the Prior Bonds (as defined in the Resolution) and as a result senior to the Subordinate Stormwater Pledge (as defined in the Resolution).

This Bond is one of an authorized series of Bonds of like tenor and effect, except as to numbering, interest rates per annum and dates of maturity, in the total amount of _____ Dollars (\$ _____) lettered and numbered consecutively from 22__ R-1 and upward, issued for the purpose of providing funds to pay the cost of the acquisition of, and the construction and installation of certain improvements to, the System, including, without limitation, the acquisition and installation of necessary equipment therefor and the making of other site improvements related thereto as more fully described in the Resolution described below (the “Project”), [to refund interim notes issued in anticipation of the Bonds (the “BANs”)] and to pay the costs of issuance of the Bonds [and the BANs], as authorized by an Resolution adopted by the Board of Sanitary Commissioners of the District (the “Board”) on July __, 2022, entitled “A RESOLUTION AUTHORIZING THE ACQUISITION, CONSTRUCTION AND INSTALLATION OF CERTAIN IMPROVEMENTS TO THE SEWAGE WORKS SYSTEM OF THE CITY OF HOBART SANITARY DISTRICT, THE ISSUANCE OF REVENUE BONDS IN ONE OR MORE SERIES TO PROVIDE THE COST THEREOF, THE COLLECTION, SEGREGATION AND DISTRIBUTION OF REVENUES OF SUCH SYSTEM, THE SAFEGUARDING OF THE INTERESTS OF THE OWNERS OF SUCH REVENUE BONDS AND OTHER MATTERS CONNECTED THEREWITH, INCLUDING THE ISSUANCE OF NOTES IN ANTICIPATION OF SUCH BONDS, AND REPEALING RESOLUTIONS INCONSISTENT HEREWITH” (the “Resolution”), and in strict compliance with the provisions of IC 13-26, as in effect on the issue date of this Bond (the “Act”). Capitalized terms not otherwise defined herein have the same meanings as ascribed to them in the Resolution.

Pursuant to the provisions of the Resolution and the Act, the principal of and interest on this Bond, the Prior Bonds, all other Bonds, and any bonds hereafter issued ranking on a parity therewith (collectively, the “Bonds”), are payable solely from a sinking fund created by the

Resolution (the "Sinking Fund") to be funded from the Net Revenues, inclusive of System Development Charges, except to the extent payable from the proceeds of the Bonds.

The District irrevocably pledges the Net Revenues of the System to the prompt payment of the principal of and interest on the Bonds. The District covenants that it will cause to be fixed, maintained and collected such rates and charges for service rendered by the System as are sufficient in each year (i) for the payment of Operation and Maintenance (as defined in the Financial Assistance Agreement) of the System and (ii) for the payment of the sums required to be paid into the Sinking Fund under the provisions of the Act and the Resolution. Such rates and charges shall be established, to the extent permitted by law, to produce Net Revenues sufficient to pay the annual debt service on the Bonds. If the District or the proper officers of the District shall fail or refuse to so fix, maintain and collect such rates or charges, or if there shall be a default in the payment of the principal of or interest on the Bonds when due, the owner of this Bond shall have all of the rights and remedies provided for in the Act and the Resolution, including, by civil action, to protect and enforce rights granted by the Act or under the Resolution in connection with any action or duty to be performed by the District, the Board or any officer of the District, including the making and collecting of reasonable and sufficient charges and rates for services provided by the System.

The District further covenants that it will set aside and pay into the Sinking Fund a sufficient amount of the Net Revenues to pay: (a) the principal of and interest on all Bonds, as such principal and interest shall come due; (b) the necessary fiscal agency charges for paying the principal of and interest on the Bonds; and (c) an amount to create and maintain the debt service reserve required by the Resolution. Such required payments shall constitute the only charge upon the Net Revenues.

The Bonds maturing on and after _____, _____, are redeemable at the option of the District on _____ or any date thereafter, on [thirty (30)][sixty (60)] days' notice, in whole or in part, in [any][inverse] order of maturity selected by the District and by lot within a maturity, at face value, [together with the following premiums:

This Bond is transferable or exchangeable only upon the books of the District kept for that purpose at the office of the Registrar, by the Registered Owner hereof in person, or by its attorney duly authorized in writing, upon surrender of this Bond, together with a written instrument of transfer or exchange satisfactory to the Registrar duly executed by the Registered Owner or its attorney duly authorized in writing, and thereupon a fully registered Bond or Bonds in the same aggregate principal amount and of the same maturity, shall be executed and delivered in the name of the transferee or transferees or to the Registered Owner, as the case may be, in exchange therefore. [All of the Bonds have been designated [or deemed designated] as “qualified tax-exempt obligations” within the meaning of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.]

THE REGISTERED OWNER, BY THE ACCEPTANCE HEREOF, HEREBY AGREES TO ALL THE TERMS AND PROVISIONS CONTAINED IN THE RESOLUTION. This Bond is subject to defeasance prior to redemption or payment as provided in the Resolution. The Resolution may be amended without the consent of the owners of the Bonds as provided in the Resolution if the Board determines, in its sole discretion, that the amendment shall not materially adversely affect the rights of any of the owners of the Bonds.

Interest on the Loan commences on disbursement of the Loan to or for the benefit of the Participant (including any amounts disbursed to the Construction Fund) by the Finance Authority and the Bonds shall be deemed to be purchased in the full amount thereof. Each disbursement (including any amounts disbursed from the Construction Fund) shall be made pursuant to a Disbursement Request. Any Loan Reduction Payment shall be applied to pay principal in such amounts and with such maturities as achieves as level debt service as practicable consistent with methodology prescribed in the Authorizing Instrument and as originally applied to the Bonds, and with no maturity longer than the original maturity schedule; provided that any principal payments originally scheduled under Section 2.02 herein as being due prior to the Loan Reduction Payment shall be unaffected by such payment. If the Authorizing Instrument permits the Participant to apply Bond proceeds to pay interest accruing on or before Substantial Completion of Construction, the Participant may seek to reimburse itself for such interest costs it has paid pursuant to a Disbursement Request provided. If the Participant fails to make such Loan Reduction Payment by such date, the Finance Authority and Deposit Agreement Counterparty are authorized to cause any balance held in the Construction Fund to be so applied without further direction and authorization from the Participant. Notwithstanding the foregoing, if requested by the Finance Authority, in lieu of the Participant making a Loan Reduction Payment, the Finance Authority may in its discretion require the Participant to hold any remaining balance (inclusive of Loan proceeds and any earnings) in the Construction Fund until such amounts may be applied on the first optional redemption date applicable to the Bonds, and upon any such request, the Participant agrees to cause such amounts to be so held and applied on such date.

(i) For any outstanding bonds payable from the revenues of the Treatment Works which are on a parity with the Bonds, each Credit Provider, if any, that has provided a Credit Instrument is at least rated on a long term basis "A-/A3" long term by Standard & Poor's Ratings Services, a Division of the McGraw-Hill Companies and Moody's Investors Service, Inc., and their successors, except as represented and set forth in Exhibit C attached thereto (and with respect to which true, accurate and complete copies of each such Credit Instrument have been delivered to the Finance Authority).

Each of the foregoing representations and warranties will be deemed to have been made by the Participant as of the date of this Agreement and as of the date of any disbursement of Loan proceeds (including from the Construction Fund). Each of the foregoing representations and warranties shall survive the Loan disbursements regardless of any investigation or investigations the Finance Authority may have undertaken.

Section 3.04. Covenants Regarding Assignment. The Participant acknowledges that the Finance Authority may pledge, sell or assign the Bonds or cause the Bonds to be pledged, sold or assigned, and certain of its rights related thereto, as permitted pursuant to Section 5.02 herein. The Participant covenants and agrees to cooperate with and assist in, at its expense, any such assignment. Within 30 days following a request by the Finance Authority, the Participant covenants and agrees with the Finance Authority that the Participant will, at its expense, furnish any information, financial or otherwise, with respect to the Participant, this Agreement, the Authorizing Instrument and the Bonds and the Treatment Works as the Finance Authority reasonably requests in writing to facilitate the sale or assignment of the Bonds.

Section 3.05. Nature of Information. All information furnished by the Participant to the Finance Authority or any person representing the Finance Authority in connection with the Loan or the Project may be furnished to any other person the Finance Authority, in its judgment, deems necessary or desirable in its operation and administration of the Wastewater SRF Program.

Section 3.06. Tax Covenants. The Participant hereby covenants that it will not take, or cause or permit to be taken by it or by any party under its control, or fail to take or cause to permit to be taken by it or by any party under its control, any action that would result in the loss of the exclusion from gross income for federal income tax purposes of interest on the Bonds pursuant to Section 103 of the Code. The Participant further covenants that it will not do any act or thing that would cause the Bonds to be "private activity bonds" within the meaning of Section 141 of the Code or "arbitrage bonds" within the meaning of Section 148 of the Code. In furtherance and not in limitation of the foregoing, the Participant shall take all action necessary and appropriate to comply with the arbitrage rebate requirements under Section 148 of the Code to the extent

applicable to the Participant or the Bonds, including accounting for and making provision for the payment of any and all amounts that may be required to be paid to the United States of America from time to time pursuant to Section 148 of the Code.

Section 3.07. Non-Discrimination Covenant. Pursuant to and with the force and effect set forth in I.C. 22-9-1-10, the Participant hereby covenants that the Participant, and its contractor and subcontractor for the Project, shall not discriminate against any employee or applicant for employment, to be employed in the performance of this Agreement, with respect to the hire, tenure, terms, conditions or privileges of employment, or any matter directly or indirectly related to employment, because of race, color, religion, sex, disability, national origin or ancestry.

DEFAULTS

Section 4.01. Remedies. The Finance Authority's obligation to make a disbursement under the Loan to the Participant hereunder may be terminated at the option of the Finance Authority, without giving any prior notice to the Participant, in the event: (a) the Participant fails to undertake or perform in a timely manner any of its agreements, covenants, terms or conditions set forth herein or in any paper entered into or delivered in connection herewith (including the Authorizing Instrument); or (b) any representation or warranty made by the Participant as set forth herein or in any paper entered into or delivered in connection herewith is materially false or misleading. Any such event shall constitute an event of default and in addition to any other remedies at law or in equity, the Finance Authority may (x) require a Loan Reduction Payment pursuant to Section 2.06 herein as if it were a date that was three (3) years after the dated date of the Bonds, (y) in the event a Deposit Agreement has not previously been entered into related to the Participant's Bond Fund (including any related reserve), require the Participant to enter into a Deposit Agreement (or to modify any such previously entered Deposit Agreement) and the Participant shall enter into (or modify) such an agreement within 5 days after any such demand and (z) without giving any prior notice, declare the entire outstanding principal amount of the Loan, together with accrued interest thereon, immediately due and payable.

Section 4.02. Effect of Default. Failure on the part of the Finance Authority in any instance or under any circumstance to observe or perform fully any obligation assumed by or imposed upon the Finance Authority by this Agreement or by law shall not make the Finance Authority liable in damages to the Participant or relieve the Participant from paying any Bond or fully performing any other obligation required of it under this Agreement or the Authorizing Instrument; provided, however, that the Participant may have and pursue any and all other remedies provided by law for compelling performance by the Finance Authority of such obligation assumed by or imposed upon the Finance Authority. The obligations of the Finance Authority hereunder do not create a debt or a liability of the Finance Authority or the State under the constitution of the State or a pledge of the faith or credit of the Finance Authority or the State and do not directly, indirectly or contingently, obligate the Finance Authority or the State to levy any form of taxation for the payment thereof or to make any appropriation for their payment. Neither the Finance Authority or the State, nor any agent, attorney, member or employee of the Finance Authority or the State shall in any event be liable for damages, if any, for the nonperformance of any obligation or agreement of any kind whatsoever set forth in this Agreement.

Section 4.03. Defaults under Prior Agreement. The Participant and the Finance Authority agree that any event of default occurring under the Prior Agreement shall constitute an event of default under this Agreement. Similarly, the Participant and the Finance Authority agree that any event of default under this Agreement, or under any subsequent financial assistance agreement entered into between the Participant and the Finance Authority, shall constitute an event of default under the Prior Agreement and the subsequent financial assistance agreement, if any, as the case may be.

[End of Exhibit C]

Exhibit D
Additional Terms

A. The following additional terms in this Paragraph A are [NOT] applicable to the Loan:

“Equivalency Project” shall mean a project designated by the Finance Authority as an “equivalency project” under the Clean Water Act related to the “US Environmental Protection Agency Capitalization Grant for Clean Water State Revolving Funds” for the federal fiscal year ending September 30, 2022 (or such later federal fiscal year as the Finance Authority may otherwise designate).

“A/E Services” shall mean professional services related to the Planning or Design of the Project including for program management, construction management, feasibility studies, preliminary engineering, design, engineering, surveying, mapping, or architectural related services.

The Participant understands and acknowledges that the Project has been designated as an Equivalency Project and is required to meet the related applicable requirements of the Clean Water Act which among other requirements requires that for costs of Planning or Design (including costs for A/E Services) to be treated as Eligible Costs under this Agreement, such services (and the related contract) are required to be negotiated in the same manner as a contract for architectural and engineering services as negotiated under chapter 11 of title 40, United States Code (as amended). In connection with any request for disbursement of the Loan that is submitted by the Participant to the Finance Authority to provide for the payment of any costs of Planning or Design (including costs for A/E Services), the Participant represents and warrants that such costs relate only to services provided under a contract negotiated in the same manner as a contract for architectural and engineering services as negotiated under chapter 11 of title 40, United States Code (as amended).

The Participant further understands and agrees that it is required to comply with all terms of 2 CFR 200.216, Prohibition on certain telecommunication and video surveillance services or equipment, which among other requirements prohibits the use of Loan proceeds by the Participant to procure (by means of entering into, extending, or renewing contracts) or obtain equipment, systems or services that use “covered telecommunications equipment or services” identified in the regulation as a substantial or essential component of any Treatment Works, or as critical technology as part of any Treatment Works. Such prohibitions extend to the use of Loan proceeds by the Participant to enter into a contract with an entity that “uses any equipment, system, or service that uses covered telecommunications equipment or services” as a substantial or essential component of any Treatment Works, or as critical technology as part of any Treatment Works. The Participant represents and warrants that it has not procured or obtained from Loan proceeds equipment, systems or services that use “covered telecommunications equipment or services” identified in the regulation as a substantial or essential component of any Treatment Works, or as critical technology as part of any Treatment Works.

- B. *The following additional terms in this Paragraph B (related to GPR Projects and the related defined terms) are [NOT] applicable to the Loan.*

“GPR Projects” shall mean Project components that meet the requirement of the “Green Project Reserve (GPR) Sustainability Incentive Program” consistent with SRF Policy Guidelines including applicable requirements of the Wastewater SRF Act.

“GPR Projects Adjustment Fee” shall mean an amount which would equal the gross additional interest that would have accrued on the Bonds from the date of this Agreement through their scheduled final maturity, had such Bonds been issued at an interest rate determined under the Wastewater SRF Program’s interest rate policies and practices using the final, actual GPR Projects Expenditures (rather than the GPR Projects Business Case Amount), all as determined by the Finance Authority.

“GPR Projects Business Case Amount” shall mean the amount referenced in the Participant’s business case related to GPR Projects as was set in the Participant’s Preliminary Engineering Report (or categorical exclusion) posted at www.srf.in.gov, uses of funds information submitted to the Finance Authority after the Project was bid or some other submitted information that was used by the Finance Authority prior to the date of this Agreement to set a special interest rate under the Wastewater SRF Program’s interest rate policies and practices applicable to the Bonds.

“GPR Projects Expenditures” shall mean those costs and expenses incurred by the Participant that are part of the Project which are GPR Projects in nature (within the meaning of the Wastewater SRF Act) as determined by the Finance Authority, in order for the Bonds to receive special interest rate treatment under the Wastewater SRF Program’s interest rate policies and practices.

The Participant understands and acknowledges that a special interest rate has been applied to the Bonds as a result of a portion of the Project having been identified by the Participant as being a GPR Projects project. In the event GPR Projects Expenditures are hereafter determined by the Finance Authority to be less than the GPR Projects Business Case Amount, then the Finance Authority may request and the Participant shall promptly pay (no later than thirty (30) days after any request), a GPR Projects Adjustment Fee in connection with the Loan. The Participant shall certify to the Finance Authority those Loan disbursements it represents to be its GPR Projects Expenditures when and as required by SRF Policy Guidelines. The Participant understands and acknowledges that it is required to submit a business case or categorical exclusion documenting the GPR Projects and the GPR Projects Business Case Amount prior to loan closing or if a request is made pursuant to Section 3.02(f) of this Agreement.

- C. *The following additional terms in this Paragraph C (related to Non-point Source Projects and the related defined terms) are [NOT] applicable to the Loan:*

“Non-point Source Adjustment Fee” shall mean an amount which would equal the gross additional interest that would have accrued on the Bonds from the date of this Agreement through their scheduled final maturity, had such Bonds been issued at an interest rate determined under the Wastewater SRF Program’s interest rate policies and practices using the final, actual Non-point Source Expenditures (rather than the amount referenced in the Participant’s post-bid and other documents submitted to the Finance Authority), all as determined by the Finance Authority.

“Non-point Source Expenditures” shall mean those costs and expenses incurred by the Participant that are Non-point Source Projects in order for the Bonds to receive special interest rate treatment under the Wastewater SRF Program’s interest rate policies and practices.

“Non-point Source Projects Amount” shall mean the amount referenced in the Participant’s post-bid and other documents submitted to the Finance Authority prior to the date of this Agreement to set a special interest rate under the Wastewater SRF Program’s interest rate policies and practices applicable to the Bonds

“Non-point Source Projects” shall mean Project components that meet the requirement of SRF Policy Guidelines and the Wastewater SRF Act to be non-point source in nature as determined by the Finance Authority.

The Participant understands and acknowledges that a special interest rate has been applied to the Bonds as a result of a portion of the Project having been identified by the Participant as being a non-point source project. In the event Non-point Source Expenditures are hereafter determined by the Finance Authority to be less than the Non-point Source Projects Amount, then the Finance Authority may request and the Participant shall promptly pay (no later than thirty (30) days after any request), a Non-point Source Adjustment Fee in connection with the Loan. The Participant shall certify to the Finance Authority those Loan disbursements it represents to be its Non-point Source Expenditures when and as requested by SRF Policy Guidelines.
