

**BOARD OF PUBLIC WORKS AND SAFETY  
OF THE CITY OF HOBART, INDIANA**

**RESOLUTION NO. 2019 - 17**

**A Resolution to Authorize and Grant to the Hobart Sanitary District  
the Right to Use 6<sup>th</sup> Street and Fleming Street for Construction  
of Sanitary Sewer Improvements**

WHEREAS, the Hobart Sanitary District (“District”) has petitioned the City of Hobart (“City”) Board of Public Works and Safety (“Board”) for authority to cross-over, use and construct, within the public ways of the City certain newly constructed sewers and related appurtenances as part of the 2019 Water Quality Improvement Project; and

WHEREAS, said project involves the installation of approximately 660 feet of 8 inch SDR-35 sanitary sewer line and service stubs in or along 6<sup>th</sup> Street from Indiana Avenue to East 5<sup>th</sup> Avenue, 720 feet and 620 feet of 2-inch and 3-inch HDPE DR-11 low pressure sewer lines and service stubs, respectively, in or along 6<sup>th</sup> Street from Gilbert Court to the Eastern limit of 6<sup>th</sup> Street, and approximately 390 feet of 2-inch HDPE DR-11 low pressure sewer and service stubs in or along Fleming Street from 10<sup>th</sup> Street, North to the Northern limit of Fleming Street; and

WHEREAS, the limits of the project is described upon the plan attached hereto and made a part hereof; and

WHEREAS, the Project is being substantially funded by a United States Army Corps of Engineers (“ACOE”) Section 219 Grant; and

WHEREAS, the District has the authority pursuant to I.C. §36-9-25-30 (a) to use the City’s public ways upon petition to the Board as follows:

If the board finds it necessary to build, alter, or repair a sewer, drain, or appurtenance used in connection with sewage works in a public way or other public place in the district . . . it shall file with the works board of the municipality, . . . a petition and a map showing the route of the sewer or drain or the location of the structure or appurtenance proposed to be built, altered, or repaired, including the part of the public way or other public place to be used in the work. That body shall then adopt a resolution granting the board the right to use the public way or other public place;

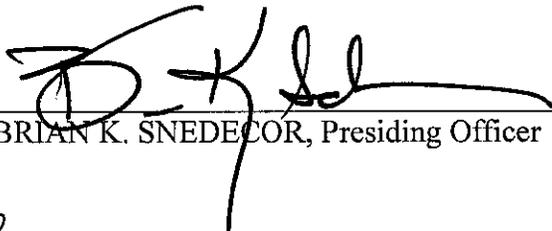

And

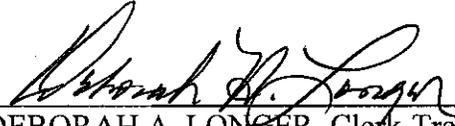

WHEREAS, the Board is also empowered to “lay out, design, order, contract for and execute the construction, alteration and maintenance of all public drains or sewers necessary to carry off the drainage of the City.” (I.C. §36-9-6-10 (b)), and the Board desires to grant authority to the District for the use of the above-described public ways of the City for said project through this Resolution.

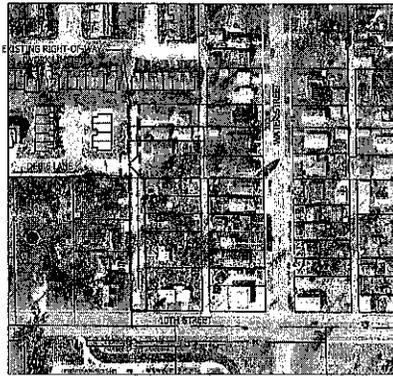

NOW, THEREFORE, BE IT RESOLVED by the Board of Public Works and Safety of the City of Hobart as follows:

The District and its contractors, including the ACOE, are granted the right and authority to use the above described public ways for the location, construction and placement of the sewer lines, pipes, and related appurtenances and equipment required for the 2019 Water Quality Improvement Project in accordance with the plan attached hereto and made a part hereof.

ALL OF WHICH IS ADOPTED on this 18th day of September, 2019 by the BOARD OF PUBLIC WORKS AND SAFETY of the City of Hobart, Indiana.

  
BRIAN K. SNEDECOR, Presiding Officer
