## SCOH 3rd Graders Visit City Hall!

May 22-24, the Mayor's Office got the opportunity to host the 3rd grade classes from Liberty & Joan Martin. Students visited the Council Chambers and learned about what the Mayor does and how the city runs. They also told Mayor Josh about what they would like to see in Hobart. Some ideas they had were a splash pad, NFL team, Six Flags, electric rail cars, and more candy stores! Then they headed in to the Mayor's office where they were even able to sit at his desk!
