FRIDAY, DECEMBER 6, 2024 ISSUE 397 PUBLIC RELATIONS "YOUR PARTNERS IN PUBLIC SAFETY" 705 E. 4TH ST. HOBART, IN 46342 219-942-1125 EXT. 1070 STAY WELL AND BE SAFE!

GREETINGS FROM CHIEF GARRETT CISZEWSKI'S OFFICE

It's hard to believe Christmas is almost here! The holiday season brings joy to many but can also be challenging for some. This time of year is a wonderful opportunity to show extra care and kindness to those who might be struggling.

The holidays can feel overwhelming - whether due to family, work, or finances. If you're feeling weighed down, remember there's hope and help. Turning to loved ones or community resources can make a big difference. Similarly, if someone you know is having a tough time, offering your support, time, or a listening ear can brighten their day. Acts of kindness often lift the giver's spirits as much as the receiver's!

In Northwest Indiana, many organizations provide volunteer opportunities that foster connection and purpose. Joining one can help you make a difference while lifting your own spirits. If you're unsure where to start, a quick online search or a visit to the library can guide you.

This season, let's focus on meaningful moments. The value of a gift lies in its thoughtfulness, not its price tag. Simple, heartfelt gestures can make the holidays more peaceful and fulfilling.

If you need assistance, don't hesitate to reach out. While this is a busy time for us, we're here to help. As you shop and celebrate, stay safe - shop with a companion, stay alert, and be patient with holiday traffic. Taking your time helps ensure a joyful and safe season for everyone.

Let's embrace the true spirit of the season - compassion, generosity, and togetherness. Wishing you all a safe, happy, and meaningful holiday season filled with moments of joy and connection.

Facts and Figures: A Security.org survey noted that 49 millions Americans (nearly 19%) have had at least one package stolen in the past twelve months. ¹36% of U.S. adults surveyed say they've sent a package somewhere other than their home address, 54% say they've changed plans in order to receive a package in person, and nearly seven in 10 said they weren't willing to change up their online holiday shopping habits in the face of package theft. ²

General Holiday Safety and Crime Prevention Tips (Courtesy of the Knoxville Police Department)

At Home

- Make sure all doors and windows have secondary locks (window pins, deadbolts, dowels, etc.) and use them!
- Don't hide spare keys in mailboxes or planters, or under doormats.
- Ensure that dark areas and entrances have outdoor lights that are turned on after dark or are activated by sensors.
- Keep trees and shrubbery trimmed so they do not conceal doors and windows. Remember, overgrown foliage can provide a hiding place for criminals.
- Place gifts where they can't be seen from the outside.
- Consider safe deposit boxes for coin and stamp collections, seldom-worn jewelry, stock bonds, etc.
- Be sure to mail cards, checks or gift certificates from the Post Office or at a blue U.S. Postal Service collection box.
- Lock your vehicle and remove all the valuables. Yes, even in your driveway.

Strangers at your Door

- Use caution anytime there is a stranger at your door.
- Be suspicious of unexpected sales calls or deliveries. Ask for identification.
- Be aware of scams that criminals commit to take advantage of people's generosity during the holidays.
- Investigate charities before making donations. Ask how the funds will be used.

Leaving for the Holidays

- Ask a trusted friend, neighbor or Neighborhood Watch member to watch your home.
- Use timers for lights and radios while you're away.
- Remember to make arrangements for mail and newspapers.

After the Holidays

- Don't advertise expensive toys, electronics, or other gifts received by the boxes left for garbage collections. Compress large boxes and place them in black garbage bags for pick-up.
- Add new items to your home inventory. Take photos or video of all items of value in your home and list each item's make, model, serial number and other information.
- Engrave new items to help identify them in the event they are stolen.

What to do if you've become a victim of a porch pirate

- Check with your delivery company to make sure your package was actually delivered.
- Know exactly what's in the missing box.
- If you see the thief, pay attention to what his or her vehicle looks like and its license plate number. Second to that, get the thief's physical description – gender, approximate height and weight and what they're wearing – so you can tell an officer.
- Call 911 and ask for an officer to come to your home.
- If you have a security camera on your home, get a copy of the video to police. Ask your neighbors if their cameras captured the thief in action.

Holiday Shopping Safety

The holiday shopping season is upon us and the Indiana State Police would like to share some helpful safety tips. Many shoppers will begin their day in the darkness of the early morning hours and end in the late evening hours, leaving shoppers vulnerable at times to potential criminal activity. To counter anyone wishing to perform criminal acts on unsuspecting shoppers, the Indiana State Police offer the following precautions:

- * Be aware of your surroundings.
- * Park in a well-lighted area and be sure to lock your car.
- * Use extra caution when walking to and from your car, preferably with a friend.
- * Avoid carrying large amounts of cash; pay with a check or credit card whenever possible.

- * Deter pickpockets and purse-snatchers. Don't overburden yourself with packages. Be extra careful with purses and wallets. Carry a purse close to your body, not dangling by the straps. Put a rubber band around your wallet and place in the inside coat or front pants pocket.
- * Do not leave purses unattended in shopping carts.
- * Place gifts and other valuables in the trunk of your car.
- * Keep your car doors and windows locked at all times.
- * Make sure your car is good mechanical condition.
- * Carry a fully charged cell phone with you.
- * Shopping with kids? Teach them to go to a store clerk or security guard if they get separated from you.
- * If you notice suspicious activity, contact store security or the nearest police agency. Especially if you notice person or persons loitering around your vehicle.
- * Remember, the most important tip is to know who and what is around you. Stay alert and be aware of what's going on around you at all times.

HOBART OFFICERS ASSIST HURRICANE HELENE RELIEF

Hobart Officers Sgt. Kenny Williams and retired Lt. Steve Houck, with support from Centier Bank, gathered donations, loaded a trailer, and drove to Swannanoa, NC, to assist residents affected by Hurricane Helene. Over the past three days, the officers worked tirelessly to distribute these donations to local churches and a restaurant actively helping to provide essentials and meals to those in need. They extended their gratitude to One Focus Church, Swannanoa Valley Baptist Church, and Asheville First Church of the Nazarene for their incredible efforts in ensuring supplies reached those most affected. They also commended Annie's Culinary Garden for going above and beyond by personally funding over 1,500 meals for victims.

Unfortunately, the officers observed that federal relief efforts remain highly disorganized, leaving local communities to step in and provide aid. Small, family-owned businesses are struggling to secure financial assistance, and many locals fear that the death toll has been significantly underestimated, with hundreds still missing.

We would like to commend Sgt. Williams and Lt. Houck for selflessly dedicating their time and efforts to support the residents of North Carolina during this devastating time. Our thoughts and prayers are with the families who have lost loved ones or are still searching for them.
