Winter is Coming!

As we enter winter, here are some friendly reminders to make sure you are prepared for the season.

Snow Removal- Our public works crews stay ready to keep major roads clear, but we encourage residents to help by clearing snow from sidewalks and driveways. If you have elderly neighbors or others who might need assistance, please lend a hand when possible.

Winter Preparedness- Now is a great time to check your home's heating system, stock up on essential supplies, and ensure your vehicle is ready for winter driving.

Stay Informed- Stay updated on weather conditions by following local news or our city's social media channels for any snow-related alerts or updates.

Safety First- Please be cautious while traveling, especially on untreated roads and sidewalks. Snow and ice can make surfaces slippery, so take your time and drive carefully.
