STAY WELL AND BE SAFE! 219-942-1125 EXT. 1070 705 E. 4TH ST. HOBART, IN 46342 "YOUR PARTNERS IN PUBLIC SAFETY" ISSUE 399 FRIDAY, JANUARY 10, 2025

# GREETINGS FROM CHIEF GARRETT CISZEWSKI'S OFFICE

## HOBART POLICE DEPARTMENT'S LEADERSHIP STRUCTURE

The Hobart Police Department has grown significantly since its rank structure was established in the 1980s, when we had just 30 officers. In 1993, the City of Hobart, annexed a large portion of land south of 61st Avenue, nearly doubling the city's size. Over time, our department has expanded to 68 officers to better serve our growing community.

To reflect this growth, we have updated our rank structure to align with the size and needs of our department. Each patrol shift is now supervised by a Lieutenant, Sergeant, and Corporal, overseeing eight officers to ensure effective leadership and support.

### Promotion Announcements:

- Lieutenant Promotions: Sergeants Paul Oliver, Simon Gresser, James Gonzales, Mark Grissom, and Ryan Snedecor have been promoted to the rank of Lieutenant.
- Sergeant Promotions: Corporals Kevin Garber, Steven Aponte, Cody Riggle, and Zachary Crawford have been promoted to Sergeant.

### Administrative Leadership Changes:

Under the direction Mayor Josh Huddlestun and Chief Garrett Ciszewski, the following administrative appointments have been made:

- Assistant Chief of Support: Capt. Nicholas Wardrip
- Assistant Chief of Operations: Capt. Timothy Pochron
- Captain Appointments: Lieutenants Ronald Russo, Robert Brazil, and Christopher Ciesielski

These changes strengthen our leadership framework, positioning us to serve the Hobart community even more effectively.

Join us in congratulating these outstanding officers on their well-deserved promotions and appointments!

Left to Right Front Row: Asst. Chief Pochron, Chief Ciszewski, Sgt. Riggle, Mayor Huddlestun, Sgt. Aponte, Sgt. Garber, Sgt. Crawford, Cpt. Brazil, Asst. Chief Wardrip.

Left to Right Back Row: Cpt. Russo, Lt. Grissom; Lt. Snedecor, Lt. Gonzales, Lt. Oliver, Lt. Gresser, Cpt. Ciesielski.

**THE HOBART POLICE DEPARTMENT WELCOMES NEW OFFICER TO THE DEPARTMENT.**

Clerk-Treasurer Deborah Longer did the honors of swearing in Samantha Jordan into the ranks.

Officer Samantha Jordan, badge #179, joins us with over 12 years of law enforcement experience. Officer Jordan is a graduate of Boone Grove High School and attended Ivy Tech College, where she studied Criminal Justice. Officer Jordan completed the Northwest Indiana Law Enforcement Academy, graduating in April 2011 as part of class 11-25. Officer Jordan comes to us with a commendable work ethic and was highly respected by her previous peers and supervisors.

Join us in welcoming Officer Jordan to the City of Hobart.

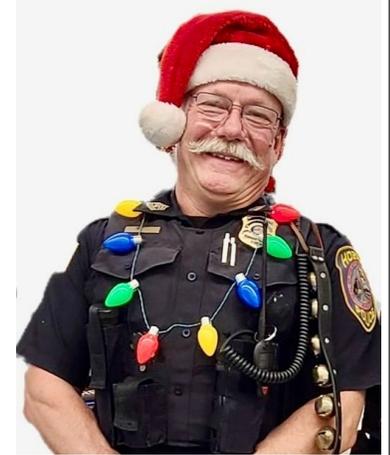

**PLEASE JOIN US IN CELEBRATING AND CONGRATULATING SERGEANT MICHAEL PEARSON ON HIS RETIREMENT AFTER AN INCREDIBLE 33 YEARS OF DEDICATED SERVICE IN LAW ENFORCEMENT!**

Sgt. Pearson began his career with the Gary Police Department before joining the Hobart Police Department in 1998, where he faithfully served our community for the past 27 years. Throughout his distinguished career, Sgt. Pearson demonstrated exceptional commitment and professionalism in various roles, including patrol officer, patrol supervisor, and firearms instructor.

As a supervisor, he inspired those under his command to strive for excellence, fostered growth, and encouraged officers to pursue their passions within the department.

We extend our heartfelt gratitude to Sgt. Pearson for his outstanding service and wish him all the best in his well-earned retirement and future endeavors. Thankfully, this isn't goodbye! You'll still see him in uniform as he continues to serve as a reserve officer for our department.

Thank you, Sgt. Pearson, for your unwavering dedication to our community!

**Resolve to Protect Yourself From Scams This New Year** As we welcome in the new year, let's make protecting ourselves against scams a top priority. Ring in 2025 with some smart resolutions to protect your personal information!

**Safeguard your social media profiles** Take some time to review the privacy settings on your social media platforms and limit the amount of personal information you share publicly.

Fraudsters may use your social media posts to personalize scams or get access to your accounts without your permission. Regularly check your friends list and remove any unfamiliar or suspicious accounts.

**Be savvy with QR codes** Quick Response codes, better known as QR codes, are becoming increasingly popular. The scannable codes are commonly used to share links to websites, view restaurant menus, pay for public parking and make other mobile payments, and retrieve digital tickets and boarding passes.

Scammers have noticed the increase in QR codes! They are placing fake QR codes on top of legitimate codes or creating fake QR codes on social media ads to get access to your personal information. If a QR code looks odd or altered, do not scan it.

**Use strong passwords and passkeys** Create strong, unique passwords that use numbers, upper and lowercase letters, and special characters. Avoid passwords that are easy to guess like birthdays and names.

Consider using a password manager to generate unique passwords and securely store them for each of your online accounts. Try using passkeys when they're available. Passkeys – including face scans or fingerprints – allow you to sign in to websites and accounts without a username or password. They are more secure than passwords, faster to use, and resistant to phishing attacks over the phone, email, and social media.

**Think before sharing personal information** Phishing is one of the main ways that scammers attempt to trick people into providing personal information. Pay close attention to emails or messages asking for your username, password, or other details about yourself.

Scammers pretend to be from familiar organizations to gain your trust. Be wary of unsolicited calls or emails that claim to be from government agencies, financial institutions, or other trusted companies.

When in doubt, contact the organization directly through official channels to verify that the request is real before sharing any personal information or making a payment.

**Stay informed of the latest scam trends** Fraudsters continue to change their tactics. Stay informed by:

- Following reliable news sources.
- Subscribing to scam alert resources, such as [Fraud.org](https://www.fraud.org) and [Federal Trade Commission Consumer Alerts](https://www.ftc.gov/consumer-alerts).
- Paying attention to scam and fraud warnings from local law enforcement agencies.

The more you know, the better prepared you'll be to identify and avoid scams. Learn more about protecting yourself and your loved ones on our [website](#). For full article please visit: <https://blog.ssa.gov/resolve-to-protect-yourself-from-scams-this-new-year/>
