

HOBART REDEVELOPMENT COMMISSION -

EDUCATIONAL & WORKER TRAINING GRANT PROGRAM

The Redevelopment Commission (RDC) of the City of Hobart (City) is seeking applications for 2021 grants allowed under Indiana Code 36-7-25-7 (see attached). The purpose of the grants is to support educational programs, work training programs, worker retraining programs, or any other program designed to prepare individuals to participate in a competitive and global economy. It is the intention of the RDC's grant program to 1) promote redevelopment and economic development in the City and 2) support programs or expenses which are in the best interest of the City's residents. A majority of the people served by the grant program or expense should be residents of Hobart.

In 2021, \$30,000 will be available for grant payment. Grant availability in future years is unknown at the present time. The RDC may make a single grant, multiple grants, or no grants based on the grant applications received. Grant selection is not determined on a point based system but may be in the future. Grant awards will be recommended by the Grant Committee of the RDC to the entire RDC for approval. Award notification will be made by the end of the year.

Grants are a reimbursement type of grant. Applicants must incur 100% of the expense and then provide the required documentation to seek reimbursement. (A reimbursement request form with submittal instructions will be provided to grant awardees.) An agreement between the Applicant and the Hobart Redevelopment Commission must be fully executed before any grant funded expense can be incurred. A resolution will be passed by the RDC authorizing the grant award and the execution of an agreement. Both documents will include the RDC's findings of fact as required by State statute.

Documentation of compliance with grant conditions must be submitted every 90 days during the term of the grant. Reimbursement of expenses from grant funds will take no longer than 45 days upon submission of a completed request for grant funds. Approval of claims for grant expenses will be done at a meeting of the RDC. A final written report with photographs must accompany the final request for reimbursement. (An outline of what to include in the final report will be provided to grant awardees.) All grant and compliance information submitted will become public record.

Any publicity related to the program or expense funded by a grant must also credit the Hobart Redevelopment Commission.

Grant recipients must comply with IC 22-5-1.7-1 (E-Verify Program) for grants over \$1,000.00.
